$\S 20.608$ Rule 608. Withdrawal of services by a representative.

(a) Withdrawal of services prior to certification of an appeal. A representative may withdraw services as representa-

tive in an appeal at any time prior to certification of the appeal to the Board of Veterans' Appeals by the agency of original jurisdiction by complying with the requirements of §14.631 of this chapter.

(b) Withdrawal of services after certification of an appeal—(1) Applicability. The restrictions on a representative's right to withdraw contained in this paragraph apply only to those cases in which the representative has previously agreed to act as representative in an appeal. In addition to express agreement, orally or in writing, such agreement shall be presumed if the representative makes an appearance in the case by acting on an appellant's behalf before the Board in any way after the appellant has designated the representative as such as provided in §§ 20.602 through 20.605 of this part. The preceding sentence notwithstanding, an appearance in an appeal solely to notify the Board that a designation of representation has not been accepted will not be presumed to constitute such consent.

(2) Procedures. After the agency of original jurisdiction has certified an appeal to the Board of Veterans' Appeals, a representative may not withdraw services as representative in the appeal unless good cause is shown on motion. Good cause for such purposes is the extended illness or incapacitation of an agent admitted to practice before the Department of Veterans Affairs, an attorney-at-law, or other individual representative; failure of the appellant to cooperate with proper preparation and presentation of the appeal; or other factors which make the continuation of representation impossible, impractical, or unethical. Such motions must be in writing and must include the name of the veteran, the name of the claimant or appellant if other than the veteran (e.g., a veteran's survivor, a guardian, or a fiduciary appointed to receive VA benefits on an individual's behalf), the applicable Department of Veterans Affairs file number, and the reason why withdrawal should be permitted, and a signed statement certifying that a copy of the motion was sent by firstclass mail, postage prepaid, to the appellant, setting forth the address to

which the copy was mailed. Such motions should not contain information which would violate privileged communications or which would otherwise be unethical to reveal. Such motions must be filed at the following address: Office of the Senior Deputy Vice Chairman (012), Board of Veterans' Appeals, 810 Vermont Avenue, NW., Washington, DC 20420. The appellant may file a response to the motion with the Board at the same address not later than 30 days following receipt of the copy of the motion and must include a signed statement certifying that a copy of the response was sent by first-class mail, postage prepaid, to the representative, setting forth the address to which the copy was mailed.

Subpart H—Hearings on Appeal

§ 20.700 Rule 700. General.

(a) Right to a hearing. A hearing on appeal will be granted if an appellant, or an appellant's representative acting on his or her behalf, expresses a desire to appear in person.

(b) Purpose of hearing. The purpose of a hearing is to receive argument and testimony relevant and material to the appellate issue. It is contemplated that the appellant and witnesses, if any, will be present. A hearing will not normally be scheduled solely for the purpose of receiving argument by a representative. Such argument should be submitted in the form of a written brief. Oral argument may also be submitted on audio cassette for transcription for the record in accordance with paragraph (d) of this section. Requests for appearances by representatives alone to personally present argument to Members of the Board may be granted if good cause is shown. Whether good cause has been shown will be determined by the presiding Member assigned to conduct the hearing.

(c) Nonadversarial proceedings. Hearings conducted by the Board are ex parte in nature and nonadversarial. Parties to the hearing will be permitted to ask questions, including follow-up questions, of all witnesses but cross-examination will not be permitted. Proceedings will not be limited by legal rules of evidence, but reasonable bounds of relevancy and materiality will be maintained. The presiding Member may set reasonable time limits for the presentation of argument and may exclude documentary evidence, testimony, and/or argument which is not relevant or material to the issue, or issues, being considered or which is unduly repetitious.

(d) Informal hearings. This term is used to describe situations in which the appellant cannot, or does not wish to, appear. In the absence of the appellant, the authorized representative may present oral arguments, not exceeding 30 minutes in length, to the Board on an audio cassette without personally appearing before the Board of Veterans Appeals. These arguments will be transcribed by Board personnel for subsequent review by the Member or Members to whom the appeal has been assigned for a determination. This procedure will not be construed to satisfy an appellant's request to appear in person.

(e) Electronic hearings. When suitable facilities and equipment are available, an appellant may be scheduled for an electronic hearing. Any such hearing will be in lieu of a hearing held by personally appearing before a Member or panel of Members of the Board and shall be conducted in the same manner as, and considered the equivalent of, such a hearing. If an appellant declines to participate in an electronic hearing, the appellant's opportunity to participate in a hearing before the Board shall not be affected.
